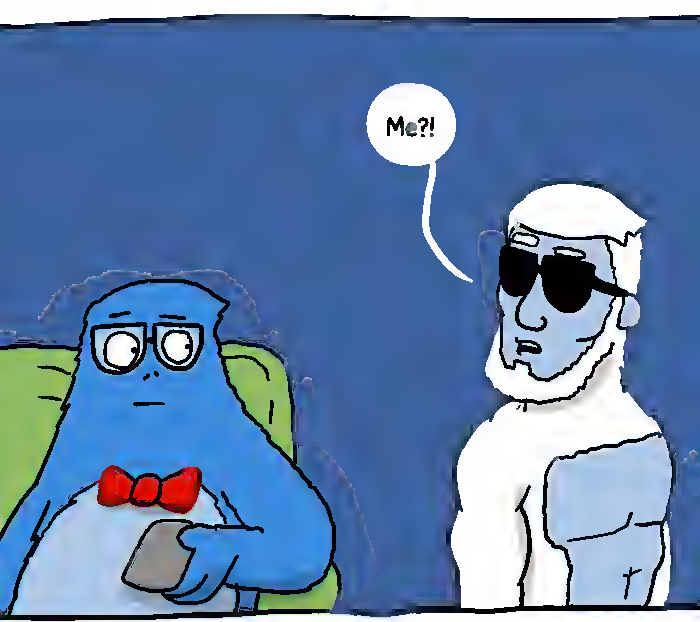
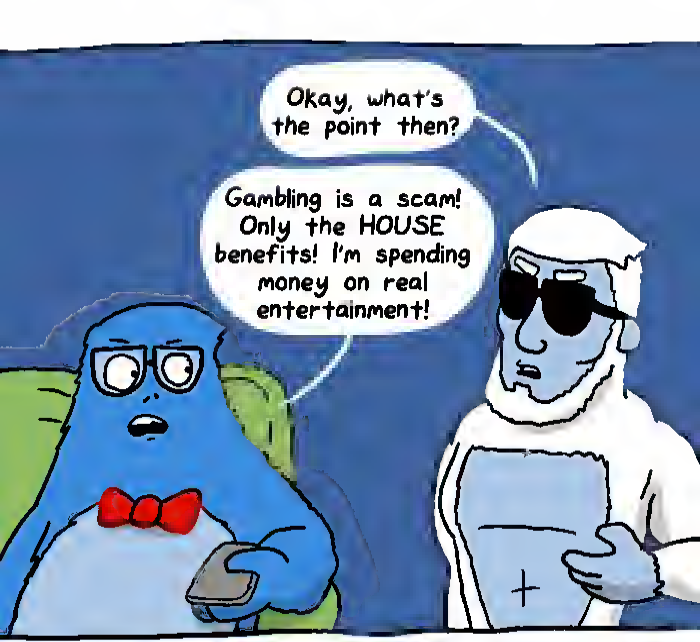
Lars

Later, bro, I'm going to the casino
You're wasting your money!



Me?!

Lars, how much have you spent on in-app purchases this year?
Seven thousand dollars, but that's beside the point!



Okay, what's the point then?
Gambling is a scam! Only the HOUSE benefits! I'm spending money on real entertainment!

I'll entertain myself in my way, you do it in your way
Okay! I'll do it in a way that isn't THROWING MONEY AWAY!

Ten dollars to make my character BLUE? Um, YES PLEASE.
